Sarah:

Below is the email where I looped you in on my initial need for clarification between the permanent hygiene station and the mobile station scheduled for Friday's by the UHRC. At that time you advised that you would look into it.

I will continue to loop you in when it comes to conversations with the UHRC to eliminate any confusion. Let me know if there's anything else on my end that I can do to enhance efficiency between our offices.

Thanks,

Gaby

So the CARE Hygiene Station that is assigned to Lomita encampment on 1/24, 1/31, 2/7, and 2/14 is different from the mobile station being deployed once we have the sewer line connected, right? The future hygiene station will be there five days/ week... correct?

Hi Gaby,

For the current 20-day deployment calendar, which runs through Friday, February 14th, yes, CARE mobile hygiene unit #2 was/is scheduled to be at 25036 McCoy Ave. on the following Fridays: 1/24, 1/31, 2/7, and 2/14. The next 20-day deployment calendar is still being finalized.

Thanks.

Hey there,

My apologies- I understood LASAN would be reaching out because it sounded like there were some follow up questions. I'm adding Gabe and Brian from my office.
